WORLD ROTARIANS IN DALLAS 'FORT WORTH' FINALLY LANDS SUNDAY PROMINENT WOMAN HELD AFTER ROBBERY

ROBBINS-KELLY SMASH RECORDS REMAINING ALOFT CRACKED PROPELLER PRE- VENTED PUSHING MARK FURTHER SKYWARD

FORT WORTH, May 27. (AP)—Having added almost a full day to the world's endurance flight record, R. L. Robbins and James Kelly eschewed the praise of an admiring nation and slept today while experts made a careful examination of their monoplane Fort Worth which the two brought to earth yesterday after soaring almost seven and one half days.

The two pilots, one an ex-cowboy, the other former railroad mechanic, added a new line to the historic record which started with the Wright's one minute flight at Kitty Hawk in 1903, when they kept the Fort Worth aloft through rain, wind, sunshine, hail and lightning for 172 hours, 32 minutes and one second, beating the record of 150 hours, 40 minutes and 15 seconds set by the army monoplane, Question Mark, by 21 hours, 51 minutes and 36 seconds.

Inexperienced Crew.

The army plane had three motors, a crew of five men and an expert ground crew. Robbins had six years experience as a flyer, but Kelly came off the range only a few days ago, and the course in flying which he took technically ended in April, although his skill gave him a job with the Texas Air Transport Corporation long before the start of the flight.

The youthful flyers had gambled by going aloft with a motor which had run 500 hours after being discarded by Al Hensley, it was as good as never when it returned to the ground. Some of the adjustments were made on the spot.

WEDDING OF LINDY AND ANNE MORROW ANNOUNCED MONDAY

ENGLEWOOD, N. J., May 27. (AP)—Ambassador N. J. Morrow and Mrs. Anne Morrow Lindbergh announced the marriage of their daughter, Anne to Col. Charles A. Lindbergh.

The announcement said simply: "Mr. and Mrs. Dwight W. Morrow announce the marriage of their daughter, Anne to Col. Charles A. Lindbergh, at Englewood, N. J., May 27, 1929."

No details were given, the reply to questions in every case being "That is all."

TEXTILE STRIKERS RETURNING TO JOBS AFTER LONG LAYOFF

ELIZABETHTON, Tenn., May 27. (AP)—With peace established in the Elizabethton textile strike, industrial life had approached normal today more than at any other time since the walkout two months ago.

Their old jobs upon under the terms of an agreement reached yesterday by strike leaders and mill officials, straggling groups of former workers came into Elizabethton from their hillside homes to register with E. A. Willson, newly engaged personnel director of the companies.

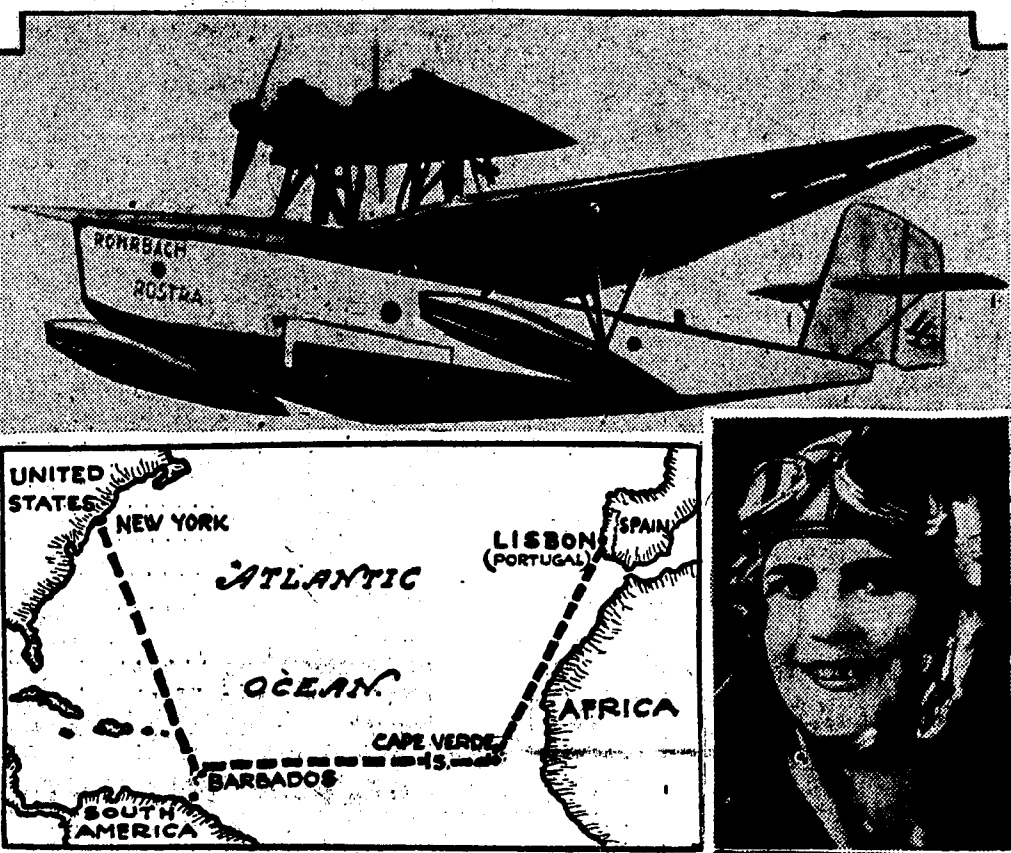

Only undesirable among former employees will be barred from their former jobs, Dr. Arthur Mothwurf, president of the textile companies, announced. By "undesirable" he said he referred to those strikers who had been guilty of violence.

Man Condemned to Death Files Appeal

AUSTIN, May 27. (AP)—D. J. Hoobler, convicted in Wichita county and given death for the murder of A. Pendergraft, filed an appeal in the court of criminal appeals today.

Other appeals were filed by Sam Stapleton, Brazoria county, given 20 years for the murder of W. E. Holmes, and John Jefferson, Freestone county, assessed 16 years for murder of E. J. Livingston.

First Commercial Ocean Flight Planned

Up to the present time all the trans-Atlantic flights have been made more at a test to see whether the feat were feasible than with a commercial idea. The giant Rohrbach plane, "Rostra," top, however, will take off soon from Lisbon, Portugal, on a purely commercial flight from Portugal to the United States. It is planned to carry freight and mail to a total of 2,000 pounds on the trip. There will be a crew of five, among whom Miss Mildred Johnson, right, will act as the supercargo. If the plane is successful on the route via Cape Verde and the Barbados, as shown on map above, it is planned to maintain service on regular basis.

TWO PLANES READY FOR FLIGHTS OVER ATLANTIC OCEAN

ENDURANCE RECORD TEX-
ANS OUTSTANDING FEAT-
TURE PAST WEEK

(By The Associated Press.)

Activities of the air the length and breadth of the United States as well as abroad held a foremost place in the public attention today. A refueling endurance flight record of 172 hours, 32 minutes and one second was established at Fort Worth, Tex., by Reginald L. Robbins and James Kelly who brought their single motored monoplane propeller threatened disaster. They landed with all the world's records for sustained flight.

Another refueling endurance flight was in progress from Wichita, Kas. Owen Haughland and Gene Shank varied the monotony of their flight by wishing to set a new solo endurance record at Los Angeles. He landed after 21 hours, 16 minutes in the air.

Two Ready For Ocean Hop.

At Old Orchard, Me., two planes were poised on the beach awaiting a change in the weather that would permit them to start trans-Atlantic flights. The French monoplane, Yellow Bird, with a crew of three Frenchmen is headed for Paris. The American plane, Green Flash, manned by Roger Q. Williams and Lewis A. Yancey is bound for Rome.

Aviation news for the week end included two accidents which cost at least two lives and injury to several. At Yuma, Ariz., Harvey S. Christensen was killed and Ernest Henderson probably fatally injured in the crash of an old "Jenny" plane.

Pilot Richard Perry was killed and two passengers, Miss Helen Dumanaki and Joseph Schweitzer, were seriously injured when their plane dived to earth near Stirling, N. J.

Two Missing Airmen Safe.

Two young Australian airmen, Lieutenant Moir and Flying Officer Owen, who had been missing since May 17 when they took off from Elima for Darwin, were found safe at the Cape Don Lighthouse, Queensland, where they have been.

SECOND CALLED SESSION TEXAS LEGISLATURE FACES HEAVY PROGRAM IN 30 DAYS

AUSTIN, May 27. (AP)—The second called session of the 41st legislature, which convenes June 3, will have to get up and hustle if it completes the program of work to be laid out for it within the constitutional thirty days.

Unless the legislators get off on the right foot it is problematical if it will be able to pass the general appropriation bills providing for financing the government for the biennium beginning Sept. 1, under the full period of time.

The senate and house are far apart on some of the appropriations. The house appropriations committee has been inclined to hold the items down to rock-bottom, while the senate has a disposition to be guided chiefly by recommendations of the Board of Control. This could not be taken to mean that Board of Control has not been conservative, because everyone agrees it has been. But the house committee is bent on keeping the ad valorem tax rate around 30 cents and to do so would eliminate some of the items the control board was constrained to allow.

To show how conservative the Board of Control was some figures need only to be quoted. Request as submitted by institutions and departments totaled \$84,284,840, while the budget sanctioned by the board aggregated but \$45,359,767.

A brisk controversy is brewing in the house over allowances for educational institutions, especially. There are two factions. One believes that managers of institutions of higher learning are "fudging" and the other group will contend for an attitude of generosity towards these. The matter of making allowances for salaries of instructors will be particularly troublesome. The house committee does not look with favor upon the custom of altering. It is generally agreed that salaries of instructors will be reduced to 75 per cent.

Governor Moody is likely of submitting legislation of public utilities, a legislative question that has been extending for some time. The past revision of the blue sky law is another subject the governor is almost certain to place before the special session. Water rights also are apt to come in for some legislation.

There are likely to be other matters, including probable firework incident to the report of the joint investigating committee on certain alleged actions of J. T. Robison, commissioner of the general land office.

Should the wave of impeachment and attempted impeachment which lately has engulfed Oklahoma, Louisiana and California, spread to Texas there is no telling how many special sessions will be necessary to wipe the legislative slate clean.

MORROW FAMILY IS READY FOR WEDDING ANNE AND LINDY

ENGLEWOOD, N. J., May 27. (AP)—Ambassador Dwight W. Morrow and his family were gathered at the Morrow estate here today in preparation for the wedding of his daughter, Miss Anne, to Colonel Charles A. Lindbergh. The date is yet to be announced.

When the ambassador arrived home yesterday from Mexico City on vacation, he smilingly declined to divulge any information. He would not discuss reports that Plutarco Elias Calles, president of Mexico when Lindbergh first met the Morrows, would attend the wedding.

Wedding gifts and letters pour in daily. One admirer sent a silver wedding ring, another offered a suckling pig. Many of the letters are congratulatory, some offer advice, and a few warn there still is time to cancel the wedding.

Three Drowned After Motorboat Capsizes

CHISHOLM, Minn., May 27. (AP)—Two men and a boy drowned in Dewey lake near here Sunday when a motor boat capsized after striking a submerged log.

The dead are Chief of Police Oscar Carlson, Patrolman Charles Zgonc and his four-year-old son, Charles Jr. Carlson's body was recovered today while search continued for the others.

WEALTHY WIDOW IS ARRESTED AND LARGE SUM CASH RECOVERED

MRS. MINNIE RAYL FACES
CHARGE COMPLICITY IN
\$80,000 ROBBERY

OKLAHOMA CITY, May 27. (AP)—C. W. "Doc" Thompson, Seminole drug store proprietor, was identified today by W. D. Criss, taxicab driver, as the man who shot Charles H. Vowell, bank messenger, in a \$75,000 holdup of an American First National bank car here Friday.

HUTCHINSON, Kan., May 27. (AP)—Mrs. Minnie Rayl, about 55, a wealthy widow of a prominent Reno county politician, today returned to Oklahoma City to face a formal charge of complicity in a \$75,000 bank messenger holdup there last Friday.

She was arrested here yesterday when she drove into town in a large red automobile. A total of \$19,307 in currency found hidden behind a seat in the automobile, and alleged by Oklahoma officers to be part of the robbery loot, was also taken back to Oklahoma City.

Charles A. Becker, chief of police of Oklahoma City, two subordinates and Lyle Barnhart, vice president of the bank, arrived here last night, six hours after being notified of Mrs. Rayl's arrest. They are returning her to Oklahoma City.

Charles A. Becker, chief of police of Oklahoma City, two subordinates and Lyle Barnhart, vice president of the bank, arrived here last night, six hours after being notified of Mrs. Rayl's arrest. They are returning her to Oklahoma City.

When arrested Mrs. Rayl was accompanied by a police dog and a canary. She was unarmed and made no resistance.

Oklahoma officers say the woman left Oklahoma City following the arrest of her husband, "Doc" Thompson, and his foster son. Four men were involved in the robbery, Chief Becker said.

The money found in Mrs. Rayl's car was tied in two tea towels.

R. K. BLACKSHEAR DIED SUDDENLY AT HOME HERE MONDAY

ONE OF DRILLERS OF DIS-
COVERY WELL IN CORSI-
CANA-POWELL FIELD

R. K. Blackshear, 53, native Texan, and well-known resident of Corsicana for many years, formerly engaged in the oil and insurance business, died at his home 1404 West Fourth avenue Monday morning at 9 o'clock after only a few minutes illness with a heart attack. He had arisen Monday morning and dressed, preparatory to coming down town when he was stricken, dying a few moments later. He was born near Palestine, Anderson county, but had been in Corsicana for a number of years.

He was one of the owners and drillers of the "Discovery well" in the Corsicana-Powell deep oil field which came in Jan. 8, 1923, and opened the field. He was in the insurance business for a number of years and at the time of his death, was the representative of a clothing concern. He was identified with a paint manufacturing company here several years ago.

Surviving are his wife, four children, Miss Louise Blackshear, Miss Elizabeth Blackshear, Bob Blackshear and Mary Blackshear, all of Corsicana; one brother, Joe Blackshear, Wichita Falls, and other relatives.

Mr. Blackshear was a member of the First Methodist church here.

The funeral will be under the direction of the Sutherland Funeral Home. Blackshear was a soldier in the Third Infantry, U. S. Army and saw service in the Philippines.

The funeral will be held from the family residence, Tuesday afternoon at 4 o'clock with burial in Oakwood cemetery. The services will be conducted by Rev. F. P. Culver, pastor of the First Methodist church.

Miss Elizabeth Blackshear, student in C. I. A., Denton, arrived Monday afternoon and a cousin of Mr. Blackshear, Mrs. Zuletha Hicks of Dallas, came here Monday afternoon to attend the funeral.

THREE LEADERS ATTEMPTING LAST REMEDY ON COMMITTEE FOR REPARATIONS MONDAY

Talking Movies
Feared As Wedge
English Tongue

MEXICO CITY, May 27. (AP)—El Universal has launched an editorial campaign to prevent "an English language" invasion of Latin America through the medium of the talking movies. The newspaper voices the fear that Latin American peoples through seeing and hearing talkies will gradually become accustomed to the English language giving rise to the possibility of giving rise to the possibility of Spanish in the people's homes and business life.

ODDS TWO-TO-ONE THAT CONGRESS TO END SESSION SOON

TARIFF IS UNDER SPECIAL
RULES; GARNER OPPOSES
POWER OF PRESIDENT

WASHINGTON, May 27. (AP)—Congressional leaders today had two good reasons to hope for an early start on an all-summer vacation and one of fear that their plan would be delayed.

Their hope rested on the prospect of votes tomorrow on the census-reapportionment bill in the senate and tariff matters in the house. Their fear was caused by the deadlock between the senate and house farm bill conferees over the export debenture plan.

The tariff bill procedure is being expedited further by operating under the parliamentary method of considering amendments as a committee of the whole. Before the vote on passage of the bill is taken, the house will give priority to consideration of amendments from the ways and means committee and has operated successfully thus far in blocking all efforts to make changes not approved by that group.

The tariff bill procedure is being expedited further by operating under the parliamentary method of considering amendments as a committee of the whole. Before the vote on passage of the bill is taken, the house will give priority to consideration of amendments from the ways and means committee and has operated successfully thus far in blocking all efforts to make changes not approved by that group.

One opportunity will be offered to Representative Garner of Texas, democratic leader, to move for reconsideration of the bill to the ways and means committee, with

Houston Woman Victim Attack Unknown Party

HOUSTON, May 27. (AP)—Mrs. R. D. McKay was recovering today from burns received last night when some one laid a rag soaked with ether ammonia on her across her face while she slept beside her husband in their home.

McKay, awakened by his wife's gasping for breath, snatched the rag from her face, but found a hole sufficiently large to admit a man's hand was punched through the window screen.

Author of Barber Bill Confers With Moody on Measure

AUSTIN, May 27. (AP)—Representative M. E. Mehl, San Antonio, author of the barber license bill now on the governor's desk, conferred with Governor Moody today in the interest of the measure.

Mehl said he presented information that the proposed law could be operated more effectively under a board of three barbers than the state department of health.

Governor Moody indicated he preferred sanitary inspections to be under jurisdiction of the board of health. He stated he would hold it pending correction in this respect by the legislature.

ROTARIANS INVADE DALLAS IN ANNUAL WORLD-WIDE MEET

VISITING MINISTERS FILLED
PULPITS SUNDAY; FIRST
PROGRAM MONDAY

DALLAS, May 27. (AP)—Smiling and eager for the opening of Rotary International's Convention tonight, 2,500 more delegates reached here today. Nearly 5,000 other visitors arrived yesterday, including 56 Rotarians from the British Isles and continental Europe. About 8,000 delegates had registered at noon. Ten special trains arrived Sunday, 16, Monday morning and two more were scheduled to pull in this afternoon.

Among the arrivals today was a special trainload of New Englanders; 100 members from the third district, Mexico; and delegates from Eldorado, Ark., Chicago, New York, Kansas City, St. Louis, City, Parsons, Kan., and the states of Illinois, Wisconsin, Ohio, Washington, Minnesota, Florida, Georgia, Alabama, North and South Carolina, and Winnipeg, Canada.

One delegate attracted considerable attention was E. F. Mathewson, Tucson, Ariz. He was carrying a cactus cane, the spines removed.

That cane represents Arizona's main industries," he explained. "The copper band around the stem represents our mining industries; the thong of rawhide shows we have cattle; the cactus itself is one of the magnets with

SHIPYARD WORKER KILLED AS STORM SWEEPS BEAUMONT

BEAUMONT, May 27. (AP)—Dan Farris, 19, shipyard worker, was killed by electricity from fallen power wires and four other injured in a wind, rain and electrical storm here yesterday.

Fifteen derricks in the Spindletop field were blown over, power and telephone poles were blown down, awnings and windows in the business district were broken, and general minor damage was reported.

Two persons sleeping were injured by wind carried planks, and two companions of Farris, who were riding in an automobile, were slightly burned by contact with the wires.

Youth Plunges To Death From Hotel Window

BAITMORE, May 27. (AP)—Leigh Mills Morrow, 21, son of C. Thomas A. Morrow, Helena, Mont., banker and former member of the finance committee of the Republican national committee, died yesterday in an eight-story plunge from a window of the Belvedere Hotel following what was described as a drinking party with Robert S. Phillips of Paducah, Ky., fellow Yale student and James Mayfield of Alabama.

Phillips and Mayfield were held on a charge of the violation of the Volstead act.

Three Killed At Crossing by Colorado Train

WASLENBURG, Colo., May 27. (AP)—Three persons were killed and four injured, one seriously, when a Denver and Rio Grande Western passenger train westbound struck an automobile containing seven passengers at the Buchanan highway grade crossing one mile north of here Sunday.

The dead: Mrs. Katherine Germatakin, 40, Mrs. Z. A. Bergers, 40, Mike Germatakin, 6.

Steamer Hits Rock Crew and Passengers Saved

SEATTLE, May 27. (AP)—The steamship Aleutian struck a projecting rock in Uyak bay on the jagged coast of Kodiak island, Alaska, yesterday and sank after fifteen passengers and 135 members of the crew hand abandoned her. The vessel was rushed to her by the Surveyor coast survey ship.

The Surveyor with 150 survivors aboard today was ploughing to Seaward. At 7:30 a. m. Pacific time, an SOS was flashed by the stricken vessel. The Surveyor rushed to her aid and the survivors were transferred within a few hours.

The Aleutian was valued at \$1,000,000.

CHIEF JUSTICE OF SUPREME COURT ON IMPEACHMENT TRIAL

OKLAHOMA CITY, May 27. (AP)—Chief Justice Charles W. Mason of the state supreme court today went to trial on a charge of accepting an automobile from Willis D. Sauthine, motor car dealer, while Sauthine had litigation pending before the court.

The senate court of impeachment before which Justice Mason appeared opened its session with Senator Wade Loeffelburrow of Buffalo presiding.

Ten of the 11 charges voted against the chief justice by the house of representatives were dismissed by the court shortly after acquittal of Justice J. W. Clark, earlier this month.

Upon dismissal of the ten counts Justice Mason was reinstated pending trial today.

Man Shot Down In Front of Own House Is Dead

AKRON, Ohio, May 27. (AP)—Charles La Presto, 37, died today after being shot down on the street in front of his home by men in a touring car.

La Presto was stepping out of his front door when the car rolled up to the curb. As he turned to walk up the street, a shot gun muzzle protruded from the curtained car, and two shots roared. His wife, standing in the doorway, was a witness of the killing.

Detectives reported the victim once suffered five years in the penitentiary for being involved in the fatal shooting of another man.

Third Twister Hits Westfield In Eight Days

HOUSTON, May 27. (AP)—Citizens of Westfield in this county today were busy clearing away debris from the third windstorm which has struck that neighborhood within eight days. Two twisters hit yesterday.

Considerable property and crop damage was done by the storms and some livestock was killed. No one was injured.

Another miniature tornado hit near Pasadena, ripping a gap in the concrete roof of a building, lifting a truck shed from its foundation and doing other damage.

TWO.

FORTY-SIXTH ANNUAL COMMENCEMENT OF HIGH FRIDAY NIGHT

CLASS ADDRESS IS DELIVERED BY BISHOP CLINTON QUIN OF HOUSTON

Ninety-five members of the 1929 graduating class of the Corsicana high school heard the class address delivered by Bishop Clinton Quin of Houston and received their diplomas from W. P. McCommon, president of the school board, at the commencement exercises in the auditorium of the high school Friday evening.

The school strains of the "March of the Priests" from Mendelssohn's "Athalia," played by the high school orchestra under the direction of Miss Joe Jarrell, supervisor of music, filled the auditorium and took their places on the stage, clad in the traditional gray cap and gown of the high school graduates.

Rev. H. J. Ellis, rector of the St. Johns Episcopal church, pronounced the invocation of the service. The two numbers by the Girls Glee club, numbering twenty-four, under the direction of Miss Jarrell, with Miss Georgia Ruth Pollock at the piano. The songs "Passes By" by Lemare and "The Gypsy Trail" by Gallo-way-Warhurst.

Salutatory Address. "Down to the Sea in Ships" was the subject of the salutatory address by Manuel Gottlieb, second honor graduate of 1929. After expressing the appreciation of the graduating class to those who attended the commencement exercises, he declared that the Phoenicians were the first to become really a world power through their exploitation of the sea.

Greece succeeded Phoenicia, and was turned followed by Rome, Spain and Great Britain, who has maintained supremacy until the present time. During those ages, ships changed from galleys, to steamships and then to steamships.

The speaker declared that the sea of the sea did not mean ownership, and urged upon his hearers the responsibility of protecting their ships from the scourge of naval wars and conflict.

Valedictorian Heard. Claude Albritton, Jr., first honor graduate in the valedictory, following the address of the speaker, making his subject, "The Battle of the Giants." The strength of nations, he pointed out, is in proportion to their foreign commerce. He called attention to the fact that the sea is the most important, principally because there was no written code of the laws of the sea.

He called attention to British supremacy of America during the world war, declaring that had not the nations become allied, there might have been an additional struggle between them. The disarmament conference of 1921 was dissolved with its "disarmament" which limited the number of capital ships but allowed an unlimited scope of smaller craft.

There is still a danger of conflict in the struggle between the nations for the mastery of the sea, and still the code of laws is uncertain, and some evidences are visible of a great naval race, usually the forerunners of war. The speaker declared, however, that the solution of the naval problem.

Miss Georgia Ruth Pollock was presented in a piano number. "The Sea of the Sea," a catchy, rollicking song.

In introducing the class speaker, Superintendent H. D. Fillers said that in the past forty-five years the Corsicana high school has graduated more than 1,000 graduates. The total enrollment in the high school today is 100 percent greater than it was in 1884.

Fewer students leave school to go to work, the speaker declared, and more and more are going to complete their high school education. The high school problem of the Corsicana public school system is more room for students in the upper grades. This change, he attributed to the interest of the public in their school system.

He declared that for a number of years, the faculty had been attempting to secure Bishop Quin as the valedictorian, and that they had succeeded.

In his introduction, the Rt. Rev. Clinton S. Quin, bishop of the diocese of Texas of the Episcopal church, declared that his policy was to make addresses to graduates interesting, short, plain, and sane.

Twins Share School Honors

MISS CLIFFORD MATLOCK
Valedictorian, 28 Class
Frost High School

MISS PHYLLIS MATLOCK
Salutatorian, 28 Class
Frost High School

MATLOCK SISTERS, TWINS, AWARDED CLASS HONORS BY FROST HIGH SCHOOL IN 1929

In the picture above are, left to right, Miss Clifford Matlock, valedictorian of the senior class of the Frost High School and her twin sister, Miss Phyllis Matlock, salutatorian of the same class. These girls are the daughters of Dr. and Mrs. Jno. W. Matlock, of Frost. They look like "book worms." They are anything but recluses. They were never known to miss a social function or to pass up an opportunity for any kind of wholesome fun.

Throughout their school life they have been active in all extra-curricular activities. Their power of concentration is somewhat remarkably developed.

They come of a family of children who have maintained a high standard of scholarship. Miss Clifford Matlock, oldest sister of "the twins," graduated with honors from the Frost High School.

Prayer is not too pious to offer as a part of a plan for a high school graduate who has reached the "commencement" period; prayer, he asserted, is not pious but conversation with God. The posture is unimportant he continued, but the sincerity and purpose counts. When a student leaves high school and starts out on his "own," away from home and without friends, he needs someone to tie to, the bishop declared, and he recommended keeping open the communication with God.

This communication line would also aid in squaring up some things that would not jibe. "God forbid our holding onto false facts through ignorance," he declared, after referring to a humorous vein to the annual attempts to pass an anti-evolution bill in the legislature.

"Manners mature into morals," the bishop declared, in pointing out the fact that some people are born with silver spoons in their mouths, no honest person succeeded who did not work. He urged the graduates to use their opportunities, declaring that they might have all of the knowledge in the world but unless they were able to use it they were helpless. The three R's must be combined with the three A's of education, he said, namely, reading, writing, and arithmetic.

Education is like blood he declared, and is good for nothing unless it is in circulation. Anyone who does an honest day's work is honorable in the sight of God. He closed by advising the graduates to be the "best of whatever you are."

Awards Announced. Principal Norwood then presented a twenty dollar gold award to Manuel Gottlieb, given by Mr. and Mrs. Francis P. Garvin through the American Chemical society, and won in Texas by a Corsicana boy for two years in succession. He then announced the scholarship leaders in the high school for the year 1928-29 as follows: For the entire school—Pauline Chrisman, 95.3; Tabby Agnew, 94.2.

Seniors—Claude Albritton, 95.5; Thurman Evans, 95.9. Juniors—Palmer Chrisman, 95.0; Edmer White and Allen Griffin, 93.5. Sophomores—Tabby Agnew, 94.2; Imogene Robinson, 93.7.

Freshman—Pauline Chrisman, 96.3; Sara Sowell and Mary Kenner, 95.5. Sub-Freshman—Florence Smith, 94.5; Mona Anderson, 94.2.

Scholarships Given. He then presented the scholarships granted annually by the leading schools of the Southwest to the honor graduates among the girls and boys to Miss Vivian Bottoms, and Claude Albritton, Jr.

He announced the honor roll of the graduates in high school for their four years of high school, composed of those who had averaged 90 or above for that period. The list included Claude Albritton, Jr., Betty Lloyd Suttle, Milton Goodwin, Kerr Bicknell Cowan, Elizabeth Kerr, Ray Smith, Georgia Ruth Pollock, Mariana Sowell, Eula Irene Bonner, Louise Megginson, Mary Knox Pulliam, Fama Ray, and Thurman Evans.

W. P. McCommon, president of the Corsicana board of education, then presented the diploma to the ninety-five graduates, and each was personally congratulated by Bishop Quin.

from the Frost High School and later graduated with highest honors from C. I. A. at Denton. She has also worked with distinction in the University of Virginia, and will begin work this summer in the University of Texas on her Master's degree. Dixon Matlock, a brother, graduated with honors from the Allen High School. He is now a student in the University of Texas. There are three others of the family yet to graduate from the Frost school.

It might be said that the mother of "the twins" has seen to it that her domestic side of their education should not be neglected. They can sew and cook like professionals, and when "the servant is out," they frequently take full charge of the household responsibilities and discharge them with credit.

Concomitant excesses will be held Friday night. The plane had scarcely touched the ground before the enthusiastic crowd, sloshing through mud, police and a special guard around the plane waited before the rush. The special guard was crushed back against the fuselage and the commotion of the crowd.

The flyers had to take it turn with the other spectators. Some semblance of order finally was obtained, and Mrs. Kelly and Mrs. Robbins were carried to the front over the heads of the crowd. They were slightly deaf and contented themselves for the most part with grinning happily at the news reel camera.

They planned to rest and possibly look through the many letters of congratulation and contracts which theatres and various firms have offered. The record was broken by the record as emphatically as they did and a purse of 15,000 is being raised by the association of commerce. Tomorrow they will appear in public for the first time since their last flight.

Travelled 10,000 Miles. The plane used 1510 gallons of gasoline on the flight and it is estimated that it traveled more than 10,000 miles. Before starting a long nap the pilots appeared briefly before the radio, chiefly to praise each other. Robbins declared that much of the fun of the flight was in the fact that they had faced many more difficult situations on their flight than hundreds of commercial flyers face every day.

Fama Ray, Lillian Rogers, Dora Marlowe, Roxborough, Elizabeth Sand, Evelyn Patricia Sheets, Mariana Sowell, Betty Lloyd Suttle, Agnes Perry Thornell, Fergie Mae Ware, Elizabeth Warren, Maxine Warren, Marion Albert White, Sudie Louise Wilkerson, Eric Frances Willard.

Boys—Claude Albritton, Jr., Hi-lary Bagby, Raymond Lee Barnes, Allan Bryant, W. C. Carroll, Gilbert P. Carson, Kerr Bivklyn Cornell, Corwin Cudney, Jacob Davis, Albert Monroe Douglas, Hugh A. Drano, Jr., Dave Elliott, William Thurman Evans, Charles R. Ferguson, John Frederick Forster, Milton Goodwin, Benjamin Manuel Gottlieb, Robert L. Hamilton, Jr., Rayford Wendell Harwell, Arthur Lee Hult, E. N. Jarrell, Jr., Byron Wayne Johnson, Bernard H. Kaplan, Ray Langston, Walter Lee Leichter, Gerald McClung, Eldon Jess Thomas Megarity, Jesse L. Milburn, Jr., L. V. Norris, Weldon O. Parker, Edwin Booth Price, Charles Wesley Pugh, George W. Reynolds, Reuben Sheppard, Ray Smith, Jacob Leon Stander, Billie E. Tatum, Eldon T. Tatum, Jr., David Tuck, Lee Roy Ware, Aubrey L. Willard.

MAN IN JAIL ON FELONY SWINDLING CHARGE AT TEMPLE

TEMPLE, May 27.—(AP)—Alleged to have been the salesman of soothing eye water which brought \$50 a drop and a "radium belt," R. L. Davis was in jail here today charged with felony swindling.

J. E. Bell, well-to-do farmer, was the victim. Davis, the complaint charges, visited Bell with a "Dr. Berry," the latter supposed to be an eye specialist from Chicago. The specialist pictured Bell's eye trouble as alarming, declaring, Bell related, that he would lose his eyesight unless he bought the lotion.

When the "doctor" refused to take a check Bell gave him \$400 cash for eight drops of the lotion. Later, "Dr. Berry" returned with the radium belt, of which he said there were only three in the world. Bell bought it for \$500 cash, an additional \$500 to be paid within two weeks if it brought relief.

The "celebrated radium belt" is said by mail order houses for \$2.95. Officers here today arrested Davis in Fort Worth.

ROBBINS-KELLY SMASH RECORDS REMAINING ALOFT

(Continued from Page 1) men's were worn, but it could have run for many more hours. The two flyers divided credit for the success of their flight. Kelly pointed out that Robbins' ability to get the most out of the motor without straining it was largely responsible for its performance. Robbins attributed a large share of their success to the integrity of Kelly, who frequently crawled all around the hood of the plane to grease the valve rocker arms. The Question Mark was brought to earth by valve trouble.

Accident Stopped Flight. It was on one of these trips to grease the valves that Kelly had an accident which eventually forced the plane down. A loose buckle on his safety belt got in the path of the propeller and dented both blades. The big wooden fifth engine Saturday night's rainstorms moisture penetrated the scar on the blades and caused the propeller to swell and split.

Shortly after noon yesterday the pilots dropped a note saying the propeller was split and they would have to descend soon. They kept the plane in the air, however, until a moment after 4:05 p. m. At that time they decided the risk of the propeller was too great and perhaps causing them to crash was not worth taking. Robbins swung the ship into the wind and came down as perfectly and as prosaically as any of the other hundred planes who had made landings during the day.

Crowds Swamp Plane. The plane had scarcely touched the ground before the enthusiastic crowd, sloshing through mud, police and a special guard around the plane waited before the rush. The special guard was crushed back against the fuselage and the commotion of the crowd.

The flyers had to take it turn with the other spectators. Some semblance of order finally was obtained, and Mrs. Kelly and Mrs. Robbins were carried to the front over the heads of the crowd. They were slightly deaf and contented themselves for the most part with grinning happily at the news reel camera.

They planned to rest and possibly look through the many letters of congratulation and contracts which theatres and various firms have offered. The record was broken by the record as emphatically as they did and a purse of 15,000 is being raised by the association of commerce. Tomorrow they will appear in public for the first time since their last flight.

Travelled 10,000 Miles. The plane used 1510 gallons of gasoline on the flight and it is estimated that it traveled more than 10,000 miles. Before starting a long nap the pilots appeared briefly before the radio, chiefly to praise each other. Robbins declared that much of the fun of the flight was in the fact that they had faced many more difficult situations on their flight than hundreds of commercial flyers face every day.

MAN IN JAIL ON FELONY SWINDLING CHARGE AT TEMPLE

TEMPLE, May 27.—(AP)—Alleged to have been the salesman of soothing eye water which brought \$50 a drop and a "radium belt," R. L. Davis was in jail here today charged with felony swindling.

J. E. Bell, well-to-do farmer, was the victim. Davis, the complaint charges, visited Bell with a "Dr. Berry," the latter supposed to be an eye specialist from Chicago. The specialist pictured Bell's eye trouble as alarming, declaring, Bell related, that he would lose his eyesight unless he bought the lotion.

When the "doctor" refused to take a check Bell gave him \$400 cash for eight drops of the lotion. Later, "Dr. Berry" returned with the radium belt, of which he said there were only three in the world. Bell bought it for \$500 cash, an additional \$500 to be paid within two weeks if it brought relief.

The "celebrated radium belt" is said by mail order houses for \$2.95. Officers here today arrested Davis in Fort Worth.

CLAIM SENTENCE OF LITTLE CHILD WAS CLEARLY ILLEGAL

PAINTSVILLE, Ky., May 25 (AP)—County Judge John W. Butcher declared his authority in sentencing Carl Newton Mahan, 6-1/2 years old, to the reformatory until he is twenty-one on a charge of murdering his playmate, Cecil Van Hoose, Circuit Judge J. F. Bailey ruled today on a writ of prohibition filed by the defense.

A. A. Elmore and J. W. Hodge of Pleasant Grove were Corsicana visitors Monday.

Moody Revokes Furlough After Improper Acts

AUSTIN, May 25.—(AP)—Governor Moody today revoked a furlough which had been issued to Henry Kirk serving three years in the penitentiary for transporting liquor. The governor said he had been informed Kirk had "not maintained a furlough of ten days was granted Ike C. Bevil, serving two years from Collin county for violation of the prohibition law, to permit him to attend the bedside of his dying mother."

WEALTHY WIDOW IS ARRESTED AND LARGE SUM CASH RECOVERED

(Continued from Page 1) Officers said they believed it comprised a one-fourth share in the loot.

Mrs. Rayl owns 450 acres of valuable Reno county farm land and is understood to have more real estate holdings in Texas. Booked as "Mary Doe" and charged with possession of stolen property, Mrs. Rayl, a well-known resident of Hutchinson, was lodged in jail this morning, having been brought from Hutchinson in connection with the \$75,000 robbery of Charles Vowell, bank messenger.

Large Sum in Car. The wagon taken into custody at Hutchinson yesterday afternoon by Hutchinson police who found \$19,307 in her motor car, they said.

She was arrested on information furnished by Oklahoma City police after the latter had arrested Mrs. Rayl's brother, R. E. Thompson, and his foster-son, C. W. Thompson, both of Kansas City, formerly of Hutchinson. She waived extradition.

Chief Becker, Robert Hurt, assistant, and Charles Ryan, detective, motored to Hutchinson last night. They left Hutchinson at 2 a. m.

The money found in the woman's car was made up of \$1, \$5, \$10 and \$20 bills and when stacked reached nearly four feet in height. About \$1,000 was in \$20 bills.

Home Is Searched. Mrs. Rayl was arrested driving her car about a block from the center of the business section of Hutchinson. Previously the police had visited her home. She was absent.

The woman was taken to police headquarters before her car was searched. She was not advised of the discovery of the money until several hours later. Her home was searched following her arrest. Police said they obtained no information from the search.

Mrs. Rayl is considered quite wealthy. OKLAHOMA CITY, May 27.—(AP)—Mrs. E. B. Thompson, 22, wife of one of the men held in connection with the \$75,000 robbery of a bank messenger here Friday, was arrested today in Seminole and brought to the city jail here. Police said Mrs. Thompson rented an Oklahoma City apartment where the loot was believed to have been divided.

Mrs. Thompson was arrested at a drug store operated by her husband and his foster-father, C. W. Thompson, who were taken into custody Saturday night. The elder Thompson is a brother of Mrs. Rayl. Rayl, well to do widow of Hutchinson, Kansas, was arrested in that city last night.

Money wrappers and seals found in a stove in the apartment here, led police to believe that the money was divided there. The discovery of the burned seals was reported by the owner of the apartment house.

Money Identified. OKLAHOMA CITY, May 27.—(AP)—Money found in the motor car of Mrs. Minnie Rayl at Hutchinson, Kas., yesterday, was identified today by American-First National bank officials as part of the loot in last Friday's holdup here. Chas. A. Becker, chief of police, announced today.

TWO PLANES READY FOR FLIGHTS OVER ATLANTIC OCEAN

(Continued from Page 1) living since they wrecked their plane in a night landing. They said they had mistaken the lighthouse for Darwin. The lighthouse was without communication.

A new altitude record of 41,000 feet was claimed today by Willy Post, German pilot, in the Dornier C.16, a biplane. The American record of 39,140 feet is held by Lieutenant Appolo Soucek, U. S. N. A world's speed record was claimed by Majors Weiss and Griener of France, Texas, after which the ship covered 5,000 kilometers (3,103 miles) in 26 1/2 hours for an average of 118.7 miles per hour.

After Record Set By Texas Flyers. MINNEAPOLIS, May 27.—(AP)—Better than 40 hours of continuous flying had been marked up by the single motored monoplane "Miss Ranger," as she soared over Minneapolis today in an attempt to break the record of the "Fort Worth."

Notes dropped by the pilots, Gene Shantz and Owen Haugland, indicated all was well. Haugland and Shank plan to fly over Minneapolis for two or three days and then proceed to Bangor, Texas, after which the ship is named. If she continues to function satisfactorily they plan to return to Wichita, Kansas, where the flight began.

They "on the occasion of your magnificent flight."

"You have brought great credit to your state and city, to the American aircraft industry and above all to yourselves," Senator Bingham said.

You'll Be Sorry. If you don't take advantage of my cut sale on watches, diamonds and rings. H. W. TAYLOR 119 West Collin St.

BLOOMING GROVE MERCHANT BURIED THERE SATURDAY

BLOOMING GROVE, May 25.—(SI)—Funeral services for J. A. Smith, age 73, who died at his home here Friday afternoon at 2:15 were held Saturday afternoon at 3 o'clock at the First Methodist church and were conducted by Rev. G. Storey, pastor, and Rev. E. J. Jones, pastor of the First Baptist church. Burial was in the Blooming Grove cemetery.

Mr. Smith was born in Mississippi and came to Blooming Grove in 1883. He had been engaged in the mercantile business here for twenty-nine years.

Surviving are his wife and one daughter, Mrs. J. R. Griffin, Blooming Grove.

SEVEN MEASURES NEED ADDITIONAL LEGISLATIVE WORK

AUSTIN, May 25.—(AP)—The second called session of the legislature will be obliged to straighten out seven bills enacted by the first session, Gov. Moody having decided to withhold action on them until corrections could be made, he announced yesterday.

They are the bills creating the board of education, providing pensions for Confederate veterans and their widows, authorizing the board of regents of the College of Industrial Arts to construct dormitories, regulating barbering and exempting certain employees of eleemosynary institutions from the 54-hour law.

Under the law the governor had 20 days from adjournment of the legislature to pass upon these measures. This time limit will extend into the first week of the new session, thus allowing ample time for making the suggested corrections.

MEMORIAL SERVICES FOR MEMBERS WEILER BIBLE CLASS HELD

THREATENING WEATHER CUT ATTENDANCE AT FIRST METHODIST SUNDAY

Weather conditions Sunday with rainfall just at the Sunday School hour cut into attendance figures at the First Methodist Sunday School, however good programs were carried out in each department with a special offering being made in the Primary Department for some charity work. The total attendance at Sunday School was 433, last Sunday 528 and the corresponding Sunday a year ago 510.

In the church auditorium at the Sunday School hour a very impressive Memorial Service was held in honor of the deceased members of the Weiler Bible Class. This service started at 9:30 and the following program was carried out: Organ Prelude, Mrs. Robert Stell Jr.; Hymn by entire body; prayer by Dr. F. P. Culver; Offertory by Mrs. Robert Stell Jr. and a solo by Mrs. L. S. Cooper; George Boyd, secretary, called the following roll of deceased members: Dr. F. E. Smith, T. K. Tarver, J. D. Jackson, J. B. Slade, Dave Staley, J. L. Weiler, Claude Allen, H. P. Barton, B. H. Woods, Jr., B. H. Woods, Sr., Hugh McPhail, Earl Robinson, Jim Robinson, C. B. Henderson, R. A. Beaton, Sr., T. T. Jeffers, E. Banks, S. H. King, J. F. Barber, J. Keathley, J. A. Slaughter, J. F. Bishop, Uncle Billy Brewer, W. E. Purifoy, W. W. Evans and J. G. Duncan.

S. W. Burdine, president of the class, gave a brief history of the class since its organization and Hon. W. A. Tarver made the principal talk of the hour. Mr. Tarver stated that he came to Corsicana twenty-seven years ago, joining forces with the First Methodist church and Sunday School at once. He spoke of the value of the church and community life of each deceased member had been and taking the roll commented separately on the various good traits of the members who had died since the organization of the class.

The services were closed with prayer by Captain Thomas of the Salvation Army. Flowers for the services were furnished by the Clowe Floral company and Boyce Martin, vice president of the class served as chairman of the meeting.

The program committee was composed of Boyce Martin, J. Jackson and A. A. Allison. In spite of the rain there was some hundred and fifty present consisting of about fifty members of the class and the remainder of the audience made up of friends and relatives of the deceased members.

At the morning church hour the choir sang an anthem, "Awake, Put on Strength," by Frotheroe, and Dr. Culver preached, "Will a Man Rob God?" and took up another line of thought and during his sermon stated that there were a certain class of people who believe that they are responsible to no one but themselves, stating that the opposite was true, that very human was responsible to God, that their responsibility was not greater because they were members of the church but in or out of the church and in every walk of life they were responsible for their actions to God and God alone.

At the evening hour the choir sang an anthem, "O Taste and See," and Dr. Culver preached from the subject, "The Regrets of Youth."

Among the announcements in the Bulletin was the regular mid-week prayer services Wednesday night, choir rehearsal Thursday night and the coming vacation Bible School. The Parent-Teacher department will meet Wednesday afternoon at 3:30 with Mrs. Lison Tatum in charge. On next Sunday communion will be observed and the regular monthly sermon to children will be preached by the pastor.

COMMUNISTS HOLD MISSIONARY AFTER ATTACK ON MISSION

AMOY, FUKIEN, China, May 27 (P)—Dr. C. H. Holleman, reformed Presbyterian church missionary at Lungyehchow, west of here, is held captive by Communists.

Mrs. Holleman and their children and the Rev. Henry Poppen and his family escaped to Amoy and were safe today after having lost everything in an attack by 2,000 Communist troops May 23.

The troops entered the city and attacked the missionary compound, looting the mission, tearing down the hospital. The attack apparently was purely anti-foreign.

BROTHER CORSICANA MAN ACCIDENTALLY KILLED IN ARIZONA

H. O. Summitt, 52, brother of G. W. Summitt of Corsicana, was killed in an accident at Phoenix, Ariz., Saturday night, and Mr. Summitt, accompanied by his daughter, Mrs. Cora Stewart, left in an automobile for Phoenix Sunday afternoon to attend the funeral.

Details of the accident were lacking here and it is not known how Mr. Summitt was killed.

He is survived by his wife, eight children, and other relatives.

The Summitt jewelry store was closed Monday but will be opened the remainder of the week with Miss Lorraine Summitt in charge.

State Home Band to Play for Rotarians

J. S. Halley, superintendent of the State Home, accompanied the State Home band boys to Dallas Monday where they will play at the International Rotary convention now in session there. The trip was made in the State Home bus.

No Trace of Rabies Found In Dog's Head

B. T. Atkins, 1107 Summitt avenue, has received a telegram from the Pasteur institute at Austin stating that there was no trace of rabies in the head of the dog which bit his son, Jarrell Owen, age nine years, Friday.

PILOT ENDURANCE PLANE AT OPENING OF LOCAL AIRPORT

REG. L. ROBBINS WON PLACE IN SEVERAL RACES HERE LAST MONTH

Reg. L. Robbins, co-pilot of the Ryan monoplane "Fort Worth" on its record-breaking flight during the past week, should be well-known to Corsicana citizens, as he was the winner of several places in the races held in connection with the opening of the Corsicana Municipal airport on April 27-28, and also hold the distinction of being the pilot of the first foreign plane to land on the local airport.

His first flight to the local field was on March 29 when he brought J. Elmer Thomas, representative of Fenner and Beane, to Corsicana on a tour of inspection. He was piloting the record-breaking plane, a Ryan brougham.

On his visit to Corsicana during the airport opening, Robbins was flying a Cessna open plane, while his own ship was being rebuilt and

TUNNEY'S WIFE ON WAY TO COMPLETE RECOVERY NOW

BRIONI, Italy, May 27 (P)—Not only need Gene Tunney, retired champion of pugilism, have no fear for the life of his bride, while former Polly Lauder, but he may expect her to be on her feet as well as ever within a few weeks.

Professor Arthur Wolf Meyer, who operated on her for an appendicitis a month ago, in a statement issued from the Tunney villa Puntanaso yesterday, said the relapse she suffered last week was but a temporary condition from which she already had recovered.

Dr. Meyer's report made after a thorough examination at the villa yesterday greatly relieved Tunney, represented as having been worried almost to distraction when his bride's relapse appeared serious.

HAGLER WILL GO WITH TELEPHONE COMPANY DALLAS

John M. Hagler, assistant football coach at the Corsicana high school for the past two years, leaves Corsicana Tuesday morning for Dallas where he will be employed by the Southwestern Bell Telephone company in the engineering department.

Mr. Hagler has spent the past few summers working in this capacity and now leaves the teaching profession to become permanently identified in that field.

BRITISH NOMINATIONS FOR PARLIAMENT BRING LARGEST LIST IN HISTORY TO FRONT

SAVINGTON CRAMPTON
Nomination day for the British general elections brought the campaign last week into its final, crucial stage which the vote of the nation, augmented by the enfranchisement of 5,000,000 women, will settle May 30.

A record number of candidates registered on nomination day. There are 1,728, or 500 more than in the last general elections in 1924, and the number of three-cornered contests has made the outcome of the struggle between the three major parties very difficult to forecast accurately.

The Conservatives conceded victory by a narrow margin in stock exchange betting, have put forward 580 candidates, the Laborites 570, and the Liberals 510.

Women voters for the first time in British history outnumber the men, by a substantial million and a quarter of votes.

Reparations Deadlock
The deadlock of the Paris reparations conference persisted through the fifteenth week of its efforts to solve the formidable problem of German reparations.

Calles Retires
Former President Calles, after a brilliant military campaign in suppressing the Mexican rebellion, retired as minister of war and returned like Cincinnatus to his plough.

He declared his country would find him ready again in her hour of need.

The cost of the revolution was officially estimated at 4,000 dead, 11,000 wounded, and 100,000,000 pesos (approximately \$50,000,000) in financial loss.

Chinese Situation Grave
China seemed to have learned no lesson as to the price paid for revolution. The situation became very grave as the Nationalist government under President Chiang Kai-Shek declared Marshal Feng Yuhsiang, central China leader, a rebel and organized a punitive

expedition against him. Marshal Feng gathered his troops to resist, and a formidable clash between the two most powerful groups in China seemed near.

LARGE AUDIENCES ATTEND SERVICES CHRISTIAN CHURCH

FIVE CHRISTIAN ENDEAVOR
SOCIETIES IN SESSION AT
SAME HOUR SUNDAY

Fine audiences attended all services at the First Christian church Sunday. Each department of the Bible school maintained a high average in attendance. The Loyal Workers Class having more than 40 in attendance. The Christian Endeavor societies were holding services at the same hour, which made the church look like a real workshop. And, yet, the encouraging feature was to see them file into the main auditorium for the evening service. One of the outstanding features of the work of the day was that of the choir. The deepening spiritual program of music and the congregation entering into the congregational singing with enthusiasm. The special numbers by the choir were soul-lifting. Mr. Lenox used as his subject for the morning service, "The Abundant Power." He said, the power of God is the life of the church. That the church had never made its way against greater opposition and greater handicap than during the first century. That some of the outstanding features of its success was the doctrine of the future life with its lasting rewards and punishment. The early church was credited with an inflexible zeal. That the church was dead in earnest. That, if the church did not take itself seriously, how could it expect the world to take it seriously? Goodness is power. The pure austere morals of the early church attributed to the great success. That many a caloused unbeliever had been won to confidence in Christianity by daily piety. There was one addition to the church by statement at the morning service.

ALLEGED SEEKER OF DIVORCE WAS LIQUOR INFORMER

RENO, May 27.—(P)—Night clubs in and about Reno were in a turmoil today, awaiting the outcome of a prohibition drive staged by a young woman who ostensibly came here to get a divorce and who turned out to be an informer for the government. She was known as Billie Rivers. Billie Rivers obtained entree to various places by appearing as a divorce seeker. She married Stanley King of Los Angeles several days ago. The next day she went to Carson City and testified before a federal grand jury. Results began to be forthcoming, her Saturday, when it became known 21 persons had been arrested as the result of seventeen indictments against proprietors of clubs and inns. The indictments charged violation of the national prohibition law.

DEMPSEY SEVERS RELATIONS WITH HUMBERT FUGAZY

NEW YORK, May 27.—(P)—Jack Dempsey, former heavy-weight champion, severed relations today with Humbert J. Fugazy, New York promoter, and announced he would promote boxing matches in conjunction with the coliseum in Chicago starting next fall. Dempsey said he had a contract with Fugazy, entered into March 25, automatically expired last Saturday upon the promoter's failure to provide him with an outdoor arena where outstanding matches could be staged in New York. The former champion said his agreement with the Chicago Coliseum where Jim Mullen is the boxing promoter, for the staging of bouts there every two weeks during the fall and winter.

LARGE CROWDS HEAR DAIRY PROGRAM FROM COTTON BELT TRUCK

Large crowds continue to attend the dairy programs presented at various points in the county. Henry Gentry, county farm agent, reported Monday morning, and the meetings will continue through Thursday. The programs are presented by the Cotton Belt Dairy Truck with the co-operation of the agricultural committee of the chamber of commerce and the county agents, and consists of talks on dairying problems, several reels of motion pictures and several entertainment features. K. G. Baker, P. H. Waller and C. O. Rollins comprise the staff of lecturers. Programs were given at Barette and Kerens on Friday and Saturday nights, and the truck is scheduled for Barry, Blooming Grove, Frow and Dawson on successive nights this week. The program begins each night at 8 o'clock.

FIRE DAMAGED GROCERY STORE EARLY MONDAY

Fire of unknown origin resulted in about \$2,000 damage to a grocery store at 804 East Fifth avenue about 2:40 o'clock Monday morning. It was estimated by Fire Chief Elmer Keith. The stock and fixtures were owned by O. M. Mayfield, colored, and sustained a loss of about \$1,500; insurance on the stock and fixtures amounted to \$2,950. The building was owned by S. J. Adair and was insured for \$1500, with a loss of approximately \$500.

Blooming Grove Woman Is Buried

BLOOMING GROVE, May 27.—(S)—Funeral services were held here Monday afternoon at two o'clock for Mrs. Claude Warren, 45, who died Sunday afternoon at Hillsboro. Surviving are her husband and three children.

PROMINENT DOCTOR OF BLOOMING GROVE IS BURIED SUNDAY

BLOOMING GROVE, May 27.—(S)—Dr. J. Arthur Wilkinson, age fifty years, died at his home here Saturday afternoon at three o'clock and funeral services were held on Sunday afternoon at 2:30 at the First Baptist Church with burial in Dresden cemetery. The services were conducted by Rev. E. L. Jones assisted by Rev. T. G. Story. The Masons had care of the service at the grave. Mr. Wilkinson was born at Raleigh in 1879 and has been a resident of this county all of his life. He is survived by his wife, three children, Miss Sue Wilkinson, J. Arthur Wilkinson and a small baby daughter; two brothers, J. B. Wilkinson, Abilene; W. W. Wilkinson, Fort Worth; one sister, Mrs. J. M. Moore, Hubbard; a half brother, C. N. Wilkinson, Longview; a half sister, Mrs. Lee Lowe, Blooming Grove and his step-mother, Mrs. I. N. Wilkinson, Blooming Grove. Dr. Wilkinson served in the world war and held the rank of captain in the medical corps. He was a graduate of Tulane university.

CARD OF THANKS.
As we are leaving to make our home in 305 South Eden street, Shawnee, Oklahoma, we wish to thank our many friends for their kindness and sympathy during the illness and death of our beloved husband and father. Thank each and everyone for the beautiful floral offering. Thank the good friends of Max Avenue and North Corsicana church for their love and respect. May Gods blessings be with you all in our prayers.
MARY JOHN CHEWNING
AND MOTHER.

FIRE PREVENTION GROUPS SEND OUT HOSPITAL RULES

ATTEMPTING TO PREVENT
REPETITION CLEVELAND
HOSPITAL DISASTER

Indicating the zeal of fire prevention associations, the Chamber of Commerce has received detailed information concerning regulations designed to prevent such catastrophes as that of the recent Cleveland hospital disaster which claimed more than 100 lives. While no official report is yet available on the Cleveland disaster preliminary reports seem to agree that the fundamental cause was the improper storage of X-ray films of the nitro-cellulose variety, explains the letter. It declares that strict compliance with suggested regulations will render impossible any such disaster as occurred in Cleveland and points out that there have been other fires in hospital X-ray rooms which have been responsible for the loss of lives. It is suggested in the letter that the fire prevention committee, working with those interested, should make a study of X-ray and photographic film storage through out the city, including hospitals, doctors and dentists offices and any other places where films may be stored in quantities. The letter is from the Chamber of Commerce and Safety Council section of Detroit.

Return From Mayo Clinic at Rochester

Judge and Mrs. C. L. Jester have returned home from Rochester, Minn., where Judge Jester went through the Clinic. Judge Jester comes home feeling himself again as the Clinic advised him that he was in good condition, only recommending that he take up golf and other outdoor sports which would take him from too much confinement at his desk.

Say Crisis Exists In Enforcement of Laws in America

ST. PAUL, May 27.—(P)—That a crisis is faced with respect to enforcement of state and national laws in the United States was the message delivered today to the 141st general assembly of the Presbyterian church in the United States of America by one of its principle committees. To assist in bringing about the "proper respect for law," the administrative committee of the church's general council recommended an elaborate plan of action including the creation of a special commission, but specifically stated that its intention is to maintain distinct separation of the functions of church and state and to make its influence felt morally rather than legislatively.

Bob Miller Leaves Hospital Sunday

Bob Miller, popular grocer, who has been confined to the Navarro Hospital and Clinic for several weeks has recovered his good health again and left the hospital yesterday. Mr. Miller being very much improved in health will leave immediately for Glen Rose, Texas, where he will take a rest and vacation for six weeks after which he will resume his duties at his place of business again in Corsicana.

CONTRACTS ARE LET FOR NAVARRO COUNTY HIGHWAY SATURDAY

CONTRACT LET FOR DRAIN-
AGE AND DUMP ON MORE
THAN NINETEEN MILES

Clay Nash, county judge of Navarro county, who returned from Austin Saturday night after meeting with the state highway commission with reference to the state and federal highway through Navarro county, north and south via Corsicana, stated Monday morning that the contract for the drainage structures and dump on Highway No. 75 were let with the exception of about four miles through Corsicana, and that the actual construction will begin within twenty days. The contracts are short with the provisions that the work is to be completed within about 150 working days. Judge Nash stated that he was assured by the highway department that as soon as the engineering finished their work on the survey of State Highway No. 14 from Richland toward Wortham and Mexico, that the contracts for the construction of that stretch would be awarded. Judge Nash said that he had been advised by the engineers that the four mile stretch of road from the Navarro county line through the northwest portion of Freestone county to the pavement at the Limestone county line was going to be paved by the State Highway Department which would give a hard-surfaced road from Corsicana to Mexico via Richland and Wortham. Highway 14 branches from National Highway 75 at Richland and goes toward Mexico and Wortham, while Highway 75 goes into Freestone county in a southeasterly direction. The bridge over Richland creek will be of creosote piling with a concrete floor while the bridge over Chambers creek to the north of Corsicana will be concrete and permanent. The levee districts and reclamation work to the north has been practically completed but no reclamation levee work has been done on the Richland creek area and the highway department is not going to spend a huge sum for a bridge there that might become useless in a few years if the area is reclaimed. The bridge to be built over Richland creek is expected to last at least 20 years. Following are the lettings Saturday of the highway department for roads in Navarro county on Highway No. 75: Navarro County—Grading and small drainage structures on 9.8 miles of Highway No. 14 from Ellis county line south toward Corsicana, Tibbets Construction Company, Fort Worth, \$83,066; large bridges, Morrison & Coleman, Wichita Falls, \$130,208; also grading and small drainage structures one nine and a half miles of Highway No. 14 from Richland to near Corsicana, Maney & Alley, Oklahoma City, \$88,077; large structures, Maney & Alley, \$92,214. At a previous meeting of the commission, the contract for the drainage structures and grading on that portion of the highway from Richland to the Navarro-Freestone county line on Highway No. 75 was awarded.

BAIL IS GRANTED SLAYER OF YOUTH SATURDAY MORNING

R. L. HAMILTON RELEASED
JUST TWO WEEKS AFTER
SLAYING SON-IN-LAW

AMARILLO, May 25.—(AP)—Three weeks after he shot and killed his son-in-law, Thomas Walton, Jr., 21, R. H. Hamilton was released on \$20,000 bond today. The testimony of his daughter, Theresa, 19, the widow, in a habeas corpus hearing, was instrumental in obtaining Hamilton's release. Mr. Hamilton's formal release from the Potter county jail came an hour after the bond was ordered for him, prominent friends including his four attorneys signing the \$20,000 document.

Widowed Daughter Aids Her Father

AMARILLO, May 25 (AP)—R. H. Hamilton, Amarillo attorney, charged with the fatal shooting in his office here May 4 of Tom Walton Jr., 21, his son-in-law, today awaited a court ruling on his plea for freedom through habeas corpus proceedings. He has been in jail since the tragedy.

Strengthened by the embrace of his daughter, Theresa Hamilton Walton, 17, whom he had not seen since early in the year, the lawyer, with his attorneys, renewed his battle.

The daughter he widowed with a gun he had bought from his law partner three weeks before the shooting, told on the stand yesterday of her love for Walton and of her secret marriage despite parental opposition.

"I met him in an Austin drug store a little before last Thanksgiving," she said.

Asked if she married Walton, and if they had lived as man and wife, she replied, "Yes."

In reply to the question: "Did you have any intimacies with Tom before marriage?" she replied in the negative.

The girl denied she had had any correspondence with her father regarding her relations with Walton, but said she had talked with her father about Walton early in the year in Austin. She said she did not see her father again until they appeared in the court room on her arrival from Fort Worth.

Dr. J. H. Vaughn, who examined Walton after the shooting, testified Walton was shot twice in the back. H. G. Hendricks, Hamilton's law partner, said he sold Hamilton the gun which the fatal shots were fired, three weeks before the affair. He said Hamilton told him of alleged threats by Walton in a letter and through friends.

Immediately after the shooting, Hamilton said he had to protect his family, which the fatal shots were fired, three weeks before the affair. He said Hamilton told him of alleged threats by Walton in a letter and through friends.

Malakoff Eleven to Play Two Corsicana Teams This Season

MALAKOFF, May 24.—Five football games for the Malakoff High school eleven next fall have already been arranged and other games will be secured prior to the opening of the season. The present schedule includes two games with Corsicana eleven—the I. O. O. F. Home and the State Orphans Home.

The schedule arranged thus far is: Sept. 20—I. O. O. F. Home at Corsicana. Oct. 18—Terrell at Malakoff. Oct. 18—Wortham at Malakoff. Nov. 8—Palestine at Malakoff. Nov. 15—State Home at Malakoff.

Dog's Head Sent Pasteur Institute

After a pet dog had bitten his little daughter early Friday, B. Austin of 10017 Summit avenue, became alarmed and had the dog killed and the head sent to the Pasteur Institute at Austin for examination.

Roaming the Realm —or— County Sports

By DELMORE OLSEN

Saturday afternoon, the Richland kids defeated the Purdon lads, 4-7, in the final game of a threegame series played at the Municipal park. A large number of fans were on hand for the game which attracted quite a bit of attention at these two teams had broken even on the first two games and secured the Municipal park as the scene of the deciding combat.

The second defeat of the season was chalked up against the State Home Lads when the Corsicans Independents slugged their way to a 23-0 victory over the fast Lads team Saturday afternoon at the State Home diamond. Herrell, State Home hurler sent thirteen Independents back to the bench via the strike-out route.

William Smith, physical director of the local Y. M. C. A., for the past two years, announced his resignation Monday morning. During his regime as director of the physical education department, several important changes have been made. In the first place, Bill went to all the county schools and offered the gym for games, in this way, he built up quite an interest in basketball. During the year 1928-29, over one hundred and fifty games were played on the gym at the Y.

Besides building up the interest in basketball, several innovations which aroused the interest of the local members were made. The physical education department was in bad shape when William Smith took over the management of the department and through constant endeavor he built up interest among the youngsters and always had twenty or thirty at class each period.

Old Jupiter Pluvius was supreme in basketball, several innovations, causing the postponement of several important contests scheduled for Sunday afternoon. The Mag-Miller team was scheduled to meet the Ennis Southern Pacific club, but was cancelled in the face of bad weather.

Over twenty youngsters were on hand for the first lesson in swim class held Saturday morning at the Y. M. C. A. Each boy present was given instruction in the fundamentals in swimming and by the time the last class is called next Saturday morning at 10:30, all the youngsters will be able to swim.

FORMER CORSICANA COURT REPORTER IS DEAD RESULT SHOT

WACO, May 25.—(AP)—Pleading with hospital attaches to let him die, Jack Dodson, former court reporter here, gained his wish today. He was taken to the hospital last night with a pistol bullet wound in an eye. Dodson, formerly of Corsicana, recently had been under treatment for a fractured skull received in a fall.

Dodson was the court reporter of the Thirtieth Judicial District court under District Judge James H. Scarbrough here for many years, but left Corsicana about two or three years ago and became the court reporter of one of the criminal district courts in Waco.

Dodson was recognized as one of the most competent court reporters in Texas and was well known here.

Richland Kids Defeated Club From Purdon Saturday 8 to 7

Baseball Calendar

BY PAUL MOORE.
The "Kid" teams of Richland and Purdon met at Municipal Park Saturday afternoon at 3:30 o'clock. Richland winning the hotly contested game, 8-7, in a game which was played in 1 hour and 40 minutes. The two clubs had previously played two games and was one each. The third and deciding game of the series was played here so that it could be staged on neutral ground.

It was also a brilliant finish that the Richlanders made in the ninth inning. Mat, pitcher, fanned Johnson pitcher for Purdon, with the tying run on third and the winning run on second base amid the yells of approval and joy from the ranks of the Richland supporters. Both were out for blood and no efforts were spared by both aggregations to win.

The heaviest player on the field did not weigh more than 85 pounds while some of the lightweighters were below the 60-pound mark. Both clubs had snappy uniforms and real baseball equipment. The bases were moved in somewhat from the regulation distance and the outfielders played close in behind the infield.

Errors figured in most of the scoring on both sides. Knott, second-sacker of the Richland club, was the leading hitter of the contest when he connected with a double. He singled in five times up, securing one half of the hits of his club.

Richland drew the first blood of the contest in the first inning when a run was made with the aid of a hit, two errors figuring prominently. In the third inning, Purdon marked five times when four errors and two scratch hits were made.

Richland retaliated in their half of the fourth with four runs to tie the count on a hit, walk and several errors. In the fifth, Richland made a run on three clean hits and in the seventh won the game when two runs were made when three walks and three fielder's choices were registered.

Contest Here Sunday Postponed Due to Rain
The scheduled game here Sunday afternoon at 3:30 o'clock between the Magnolia Millers and the Ennis Southern Pacific team, two of the strongest amateur semi-pro teams in Central Texas, was postponed due to wet grounds.

Members of the Magnolia club worked Sunday morning in an effort to get the park in condition after the downpour early Sunday, but the rain shortly after noon Sunday put the diamond in such condition that the game could not be staged.

It is probable that another game will be arranged within the near future.

STATE HOME LADS LOST ANOTHER GAME DURING SLUGFEST

In a wild, hectic, and uninteresting slugfest, the State Home Lads dropped their second game of the season to the Corsicana Independents by a score of 23-9 in a contest on the State Home diamond Saturday afternoon. The brilliant hitting of Bondurant, Independent maskman, who clouted three doubles, a triple and a single, was largely instrumental in piling up the big score for the Corsicana aggregation.

The pitching sensation of the day was furnished by Herrell, starting State Home pitcher, who sent six would-be hitters away from the platter via the strike-out route in the first two innings, and who slipped the third strike past thirteen Independent sluggers in six innings. Lewis, who succeeded Herrell in the box for State Home, struck out five batters in three innings.

Terrible fielding by the State Home club sent Herrell down to his first defeat of the current season and helped the Independents to score their large total. Blake started the game for the Corsicana team, but was derailed in the fifth in favor of Harris when the Lads took a liking to his offering and chased across the plate with four runs. Harris, sandlot ace, who relieved Blake, held the State Home nine well in hand until the last stages of the game, when he eased up behind the big lead accumulated by his teammates, and the Lads pounded on his delivery for four runs in the last three innings.

Bannister, State Home keystone guard, connected for two singles, while Hale, State Home first-sacker, clouted two triples with a runner on the paths each time. Batteries for the Independents were Blake, Harris and Scroggins, Bondurant. For State Home Herrell, Lewis and Bryant.

Members Odd Fellows School Trustees Name
J. K. Sachse Sachse; E. A. Johnson, Corsicana, and Mrs. Mary Hatcher James are the new members of the school board of the I. O. O. F. Home. It has been announced by Ross Harris, superintendent. The members of the board were recently appointed by S. M. N. Marrs, state superintendent of instruction.

Magnolia Millers Clash Against Ennis Southern Pacific Team

The Mag-Millers will clash with the strong Southern Pacific nine of Ennis at Municipal Park Sunday afternoon at 3:30 o'clock in what promises to be one of the most hotly contested amateur games staged here this season, as both clubs rank with the strongest non-professional teams in Central Texas. Both clubs have players who formerly played professional baseball, both in class A leagues as well as in class D loops.

Ennis S. P. is the leading club in the Southern Pacific railroad league composed of Ennis, Houston, San Antonio, El Paso, Victoria, LaFayette and Jacksonville. Shillings, pitcher for Ennis, at one time was a member of the Philadelphia Athletics of the American league.

Mag-Millers Will Clash With Ennis Southern Pacific Sunday

The Corsicana Mag-Miller baseball club, consolidated team of the Magnolia Refiners and Corsicana Cotton Millers, will meet the strong Southern Pacific club of Ennis at Municipal Park, Sunday afternoon at 3:30 o'clock, according to an announcement Friday morning.

These two clubs rank with the best independent and semi-pro clubs of Texas and a real game is anticipated.

Ennis clubs have a number of players on the list who formerly played with Texas Association, East Texas League and Lone Star league clubs, many of whom have played in Corsicana during the time that Corsicana was in organized baseball.

Among the players with Ennis who are well known to Corsicana are Harvey Grubb, third-sacker, who formerly was third baseman of the Corsicana club and who was manager of the local club during the 1923 season in the Texas Association.

The lineup were not available Friday morning, but the rival managers will likely announce their lineups Saturday.

This should be the best attraction of the season and it is expected that a large crowd will witness these two premier amateur clubs.

TED L. JEFFERIES NAMED ASSISTANT HI SCHOOL COACH

Ted L. Jefferies, former football star at Centenary college, Shreveport, and prominent in student activities at the same institution, has been signed as assistant coach at the Corsicana high school for the year 1929-30. It was announced Friday morning by H. D. Fillers, superintendent.

Before entering Centenary college, Jefferies was a star player on the Jacksonville high school team. Jefferies succeeds John Hagler, who has been assistant coach at the high school for the past two years.

J. HENRY BOYCE, PIONEER COWMAN, FOUND DEAD IN BED

DALHART, May 25.—(AP)—J. Henry Boyce, 52, pioneer cowman and scion of one of Texas' most noted families, was found dead in bed today. He was the last member of a family active in Texas cattle and business enterprises for more than half a century. He was survived by his mother, Mrs. A. L. Boyce of Amarillo, and a daughter, Mrs. Victor Stewart of Dalhart.

Mr. Boyce's father was Col. A. G. Boyce, who gained international fame as manager of the J. H. Ranch for his campaign to rid the Panhandle of Texas of cow thieves and gunmen. A brother, L. H. Boyce, died in Amarillo less than a year ago. The elder Boyce and his younger son were slain several years ago.

Funeral services were held this afternoon.

SENTENCED TO TWO YEARS ON BIGAMY CHARGE SATURDAY

J. H. Hightower was found guilty of bigamy by the jury and his punishment was assessed at two years in the penitentiary in the Thirtieth Judicial District court shortly after noon Saturday.

The jury was out only a short time. The case began in the district court Friday morning.

WHY CAMELS ARE THE BETTER CIGARETTE

Camels contain such tobaccos and such blending as have never been offered in any other cigarette.

They are made of the choicest Turkish and American tobaccos grown.

Camels are always smooth and mild.

Camel quality is jealously maintained... by the world's largest organization of expert tobacco men... it never varies.

Smoke Camels as liberally as you choose... they will never tire your taste.

Nor do they ever leave an unpleasant after-taste.

R. E. COX STORE VISITED BY HUNDREDS CUSTOMERS; FORMALLY OPENED FRIDAY

Hundreds of people from Corsicana and all parts of Navarro county visited the new store of the R. E. Cox Dry Goods company Friday, as the fourth division of this firm was formally presented to the public.

With many customers on hand when the doors were opened for the first time Friday morning at 8:30, the throng attending the opening day of the "Clean-Sweep Sale," increased steadily all during the day.

G. L. Cox, resident manager of the new store, reiterated an earlier statement Friday, that the store was not a branch of a chain store but was a local store for local people, and both manager and employees would take their places in all forms of progress in Corsicana. He declared himself very favorably

impressed with the first day of business in Corsicana, and declared he believed there was a good future in Corsicana in the retail merchandise section.

In their new quarters at the corner of East Fourth avenue and North Beaton street, a mercantile center for decades, the new store presents one of the most modern department stores in the city and county. The building has been refinished and redecorated inside and out; and numerous improvements and changes have been made.

An elevator shaft is ready for the new structure to be installed within a few days; a new stairway to the second floor departments has been built; and a rest room has been installed on the second floor. All of the merchandise is arranged in an orderly fashion to afford

the maximum amount of vision to the customer. On the lower floor are located the men's wear and furnishings, luggage, work clothes, hosiery, novelties, staple home needs, piece goods, and shoe departments. On the second floor are located the ready-to-wear, lingerie, and millinery departments, a gift shop, and ample stock rooms.

Wrapping counters are located at several central points in the store, enabling a speedier way of handling the merchandise, and a new system of overhead conveyors allows change to be made speedily.

The interior of the store is attractively finished in white, with dark oak fixtures throughout, allowing the customers to receive the maximum benefit from the large amount of natural light that enters the store.

Three members of the firm, R. E. Cox, Sr., R. A. Cox, and G. L. Cox, were much in evidence at the opening of the store Friday, and there was a possibility that the remaining members of the firm

would arrive before the store closed Friday evening.

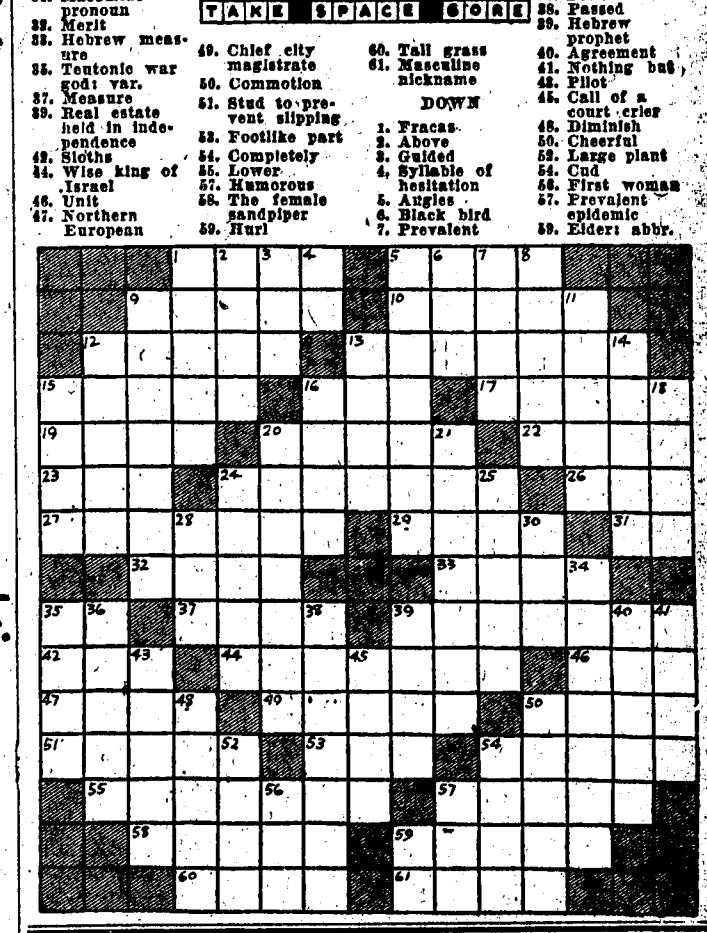

G. L. Cox, member of the firm which is operating stores in Stephenville, Marlin, Waco and Corsicana, has been in the city for several days directing the preparations for opening the new store, and will move his family here within the near future.

ROTARIANS INVADE DALLAS IN ANNUAL WORLD-WIDE MEET

(Continued from Page 1)
which we pull thousands of tourists to Arizona each year. And look at the hollow inside. That is filled with the rot of Arizona climate."
Only one group of today's arrivals was enthusiastic enough to sing. The high delegates from Winnipeg stopped long enough in the Union Station to shout a couple of verses in praise of their home town.
The delegates from Parsons, Kan., brought something new to the delegates. They wore bright red, big-brimmed hats, bearing the name of their club in white letters.
A third boy's band, that from LaFayette, La., arrived today. The Orange, Texas and Memphis bands were in Dallas yesterday.
Most dissension at the legislative meeting this afternoon was expected to be over the motto "He Profits Most Who Serves Best." The British group has introduced a resolution which would abandon use of the motto.
Marooned yesterday at Encinal, Texas, where high water held their train, ten Mexican delegates, headed by L. Hernandez, president of the Mexican City of Chihuahua, and flew to San Antonio, Texas, where they boarded a convention-bound train, reaching here before noon today.
DALLAS, May 27. (AP)—Dallas, capital of Rotary International for a week, today assumed the most cosmopolitan aspect in its history. More than 5,000 delegates to Rotary's twentieth international convention were here, and train after train poured delegates into the city each hour.
A preliminary assembly of voting delegates this afternoon, and a program of welcome tonight were on the day's programs. Active business sessions and the adoption of a convention program were scheduled for tomorrow.
More than 200 delegates came by airplane, according to Frank Mulholland, former international president. Others came by bus, train and automobile.
British Send Greetings. 15,000 British and American Rotarians were expected at Rotary headquarters by Arthur Chadwick of London, president of the Rotary International association of Great Britain and Ireland. As spokesman for the British delegation, he praised the international states and expressed appreciation of the welcome given in Dallas and other cities.
Registration, obtaining rooms, examination of credentials and similar preliminaries filled this morning's program. A demonstration of a Rotary school for non-voting Rotarians, and an informal reception for the women were among the afternoon activities.
First Program Monday.
On the formal program of welcome tonight, Mayor J. Waddy Tate of Dallas and President I. B. Sutton of Rotary International.
The Indiana club of Dallas announced an outdoor chicken dinner for Wednesday as special entertainment for the Indiana state Rotarians and their families.
Yesterday the vanguard went to churches here and heard Rotary ministers from out of town preach. Last night they were entertained at a sacred concert at Fair park auditorium by Edward P. Kimball, organist of the Mormon tabernacle, Salt Lake City, and a chorus of 300 Dallas voices.
FROST HIGH SCHOOL WILL PRESENT PLAY TUESDAY EVENING
The senior class of the Frost high school will present their play Tuesday night and the senior of public speaking students will present "Hifawatha," on Wednesday night.
Track and athletic events will be held Thursday and the first, second and third grade pupils will be presented in a program of folk dances.
Final commencement exercises will be held Friday night.
Several programs in connection with the commencement exercises of the school have already been presented. The piano pupils under the direction of Mrs. Charles McMichen were presented in a program Tuesday night and Thursday night the junior public speaking students were presented under the direction of Mrs. J. E. Latimore.
Will Miller Finishes His Medical Course
Will Murphy Miller, son of Dr. and Mrs. T. A. Miller is listed in Thursday night's Dallas Times-Herald as one of the 158 seniors in Baylor College of Medicine, Dallas, who graduate Monday evening, May 27.
Candidates for degrees in medicine numbered 62. The others were in dentistry, pharmacy and nursing.
The baccalaureate address will be given Sunday by Dr. Thomas L. Holcomb at the Gaston Avenue Baptist church and presentation of diplomas on Monday evening at the First Baptist church.
Judge R. P. Beene Buried Recently
Judge R. P. Beene, aged about 82 years, died at his home in the Winkler community several days ago and was buried. He was a blacksmith helper during the Civil War but never was in the service and did not draw a pension.
Judge Beene was a blacksmith in the Winkler community for many years and at the time of his death had been justice of the peace in the Eureka precinct for a number of years.
Surviving are his wife, several children and other relatives.
George Denbow of Roane spent Monday afternoon in the city attending to business.

Delegates Named For Confederate Reunion June 4

A. J. Hook and M. J. Parnell are the delegates selected by Camp Winkler to attend the Confederate reunion to be held in Charlotte, North Carolina, starting June 4. A. P. Webster and Mr. Webster and Mr. Ingram were selected as alternates.
A number of other veterans have expressed their intention of attending the reunion. They will leave here June 1 and will arrive in Charlotte on June 3, the day before the convention opens.
BIG SCHEDULE OF HIGHWAY CONTRACTS FACE COMMISSION

AUSTIN, May 24.—(AP)—Contracts aggregating more than \$6,000,000 for construction work in 52 counties, representing all sections of Texas, will be awarded by the state highway commission Friday and Saturday. It will be one of the biggest letting sessions ever held. Lettings have been advertised for the following projects:
Upshur county: 1.6 miles surface treatment on old concrete between Corpus Christi and causeway highway 16.
Brooks county: 17.6 miles surfaced highway 12.
Wichita county: 3.1 miles surfaced highway 11.
Rusk county: 2.4 miles surfaced highway 26, and six miles surfaced highway 43.
Upshur county: Seven miles surfaced highway 65.
Jack county: 63 miles surfaced highways 24, 25 and 39.
Gonzales county: 8.1 miles surfaced highway 29 and 14.6 miles surfaced highway 3.
Milam county: 8.8 miles surfaced highway 36.
San Patricio county: Nine miles surfaced highway 57.
Jeff Davis county: 1.2 miles surfaced highway 63.
Nacogdoches county: 18 miles surfaced highways 26 and 35.
San Augustine and Sabine counties: 19 1/2 miles surfaced highway 8.
Shelby county: 2.4 miles surfaced highway 35.
Wilbarger county: 13.31 miles concrete pavement highway 28.
Foard county: 15.83 miles concrete pavement highway 28.
Carson county: 10 miles concrete pavement highway 75.
Archer county: 16.17 miles concrete pavement highway 78.
Harris county: 14 miles grading, drainage and concrete pavement highway 3.
Young county: 13.7 miles concrete pavement highways 24 and 79, and 12.84 miles stone base with bituminous top highway 24.
Grayson county: 2.3 miles grading, drainage and concrete pavement highway 5.
Jackson county: 11.88 miles concrete pavement highway 12.
Freestone county: Nine miles grading, drainage and concrete pavement highway 7.
Uvalde county: 17 1/2 miles stone and gravel base with surface highway 3.
Refugio county: 5 1/4 miles grading, drainage and shell base highway 113.
Jim Wells county: Six bridges and surfaced approaches highway 12.
Medina county: Removing dips and constructing grading and drainage structures highway 2.
Goliad county: 16.36 miles grading and drainage highway 119.
Waller county: 4 1/4 miles grading and drainage highway 73A.
Henderson county: 9 1/2 miles grading and drainage highway 31.
Dickens county: 9.92 miles grading and drainage highway 18.
Cherokee county: Six miles grading and drainage highway 37 and 10 1/2 miles grading and drainage highway 40.
Walker county: 12 miles grading, drainage and concrete pavement, highway 19.
Hale county: 16 1/4 miles concrete pavement highway 9.
Matagorda county: 12.19 miles concrete pavement highway 58.
Runnels county: 19 1/4 miles grading, drainage and concrete pavement highway 30.
Montgomery county: 16.19 miles concrete pavement, highway 35.
Tom Green county: 16 miles stone and gravel base highway 89.
Wise county: 14.21 miles gravel base and surface highway 39.
Guadalupe county: 11.76 miles grading and drainage and removal dips highway 3.
DeWitt county: 5 3/4 miles grading and drainage highway 72.
Navarro county: 19 1/4 miles grading and drainage highway 14.
Madison county: 5.62 miles grading and drainage highway 21.
Falls county: 14.21 miles grading and drainage highway 108.
Anderson county: 11 1/2 miles grading and drainage highway 19.
Hardeman county: 7 1/2 miles grading highway 51.
Liberty county: Trinity river bridge and approaches highway 3.
Hudspeth and Culberson counties: 25.12 miles grading and drainage, highway 130.

ODDS TWO-TO-ONE THAT CONGRESS TO END SESSION SOON

(Continued from Page 1)
Instructions to substitute for the flexible provisions giving the president power to change rates a proposal to set up a tariff fact finding board responsible solely to congress. He does not expect his proposal to command a majority in the house, but looks to the senate to repeal the flexible provision, at least.
The senate still had before it today the most sharply contested amendment proposed during its consideration of the bill to provide for the taking of the 1930 census and reapportionment of the house—the change sponsored by Senator Sackett, Republican of Kentucky, which would exclude aliens from the enumeration on which house membership apportionments are to be based. Opposed chiefly on constitutional grounds, proponents of the amendment are basing their appeal on the contention that counting of aliens would be to the advantage of the cities and deprive rural sections of representation.
Census Bill Opposed
After disposing of the Sackett amendment, sponsors of the bill expect little difficulty in bringing it to a vote and sending it to the house. With this measure passed, the tariff bill in the hands of the senate finance committee, and farm relief legislation finally approved, they will be prepared to arrange a recess to continue until the middle of September. Their plan calls for the fixing of a date for a vote in the senate on the tariff bill, but they expect little difficulty on that account.
The farm relief bill conferees, however, are practically at the same point in their negotiations where they began a week ago, although they continue to express optimism that they will be able to get together. The house committee walked out of the joint session Saturday with what amounted to an ultimatum. The conferees have rejected all suggestions pointing to such a result.
Mallory Before Senate
Interest in committee activity centered largely today on the beginning of the senate rules committee's investigation of the "leak" of the purported secret roll call confirming the nomination of former Senator Lenroot of Wisconsin to be a federal judge. Paul Mallory, United Press correspondent whose name appeared over one of the stories containing the roll call, which some senators have declared was inaccurate, was summoned to appear before the committee this morning.
Lloyd Martin of Drane was here on business Monday.

Mad Dog Slain at Barry; Issue Warning

Reports have been brought to the Daily Sun by citizens of the Barry community that a mad dog had been killed there. It was a large black dog with a white breast and head. It was reported to have come from a southerly direction between Pinkston and Barry. A warning was issued to those in that neighborhood to watch for other dogs that might have been bitten.
COURTHOUSE NEWS.
District Court
Leonard Armstrong, 20, entered a plea of guilty in the Thirtieth Judicial District court Friday morning to an indictment for the alleged violation of the prohibition laws and was given a one-year suspended sentence. He had been in the county jail 53 days.
Sentence was pronounced upon him by District Judge Hawkins Scarborough and he was released.
The case of the State of Texas vs. J. H. Hightower, started in the district court Friday morning. The accused man faces an indictment for alleged bigamy. The state through H. E. Davis, county attorney, announced ready. The defense attorneys, Lovett and Lovett, presented a motion of not ready due to the absence of one fact witness and later withdrew the motion. The motion of the defense for the quashing of the indictment against Hightower was overruled by District Judge Scarborough.
The jury in the case was completed shortly after noon.
District Clerk's Office.
The following case was filed: Ruth Cole vs. Alfred Cole, divorce.
Warranty Deeds.

KINDERGARTENERS ODD FELLOWS HOME PRESENT PROGRAM

The McClellan Sisters Kindergarten was brought to a most brilliant close Sunday night at the First Baptist church when commencement exercises, in miniature, were held the half hour preceding the regular church service. At the appointed hour, Miss Emily Nell Stroud at the piano and Frank Cheney, violin, played "Onward, Christian Soldier," and the members of the baby orchestra marched in and took their places on the rostrum. They made a charming picture in little suits of red and silver satin, and gave two selections. The orchestra is composed of twelve little tots with Joe Coggins, Jr., as leader. Frances Cheney Davidson, little year-old daughter of Mr. and Mrs. Montgomery Davidson, gave a reading. Her enunciation was marvelous for one so young.
To the strains of the same march the ten little graduates from the kindergarten in cap and gown, filed in and took their places on the rostrum. Rev. J. Howard Williams, pastor of the church, talked to the children and congratulated the teachers upon their faithful and untiring efforts with these little folk, and then presented little diplomas to each. As their names were called they came forward and after receiving the diplomas, were presented pretty colonial corsages by Minnie Lee Wallace and Vallee Lou Cheney. They made a charming picture, one that will long be remembered by the large audience.
Those receiving diplomas were: Jimmie Ruth Gauley, Mary Joe Franklin, Erlene Taylor, Mildred Bell, Ruth Coggins, Joe Coggins, Frances Buchanan, Cora Francis Blanding, Elizabeth Beavers and Martha Jo Hook. Medals were then awarded the two honor pupils, Ruth Coggins, valedictorian, and Jimmie Ruth Gauley, salutatorian. Rev. Williams said he and his congregation wished to join the patrons of this school in the joy over their children at their accomplishment, and dismissed them with a word of prayer.
CARD OF THANKS.
We wish to take this method of thanking our many friends who were so kind and good to us during the illness and death of our dear husband and father, and especially do we thank you for the beautiful floral offerings. We implore heaven's blessings upon each and every one of you.
Mrs. W. M. TURNER and Children.
J. S. Young of Zion's Rest was in Corsicana Monday afternoon.

FURTHER EVIDENCE OF MONEY STRINGENCY MAIN EVENTS BUSINESS WEEK

NEW YORK, May 25.—(AP)—Dun's Review said today:
Further evidence of monetary tension, with its decisive effect upon speculative operations, has eclipsed all other events of the week. Action apparently foreshadowing increased rediscount rates, and expectations of a rise at New York, precipitated a severe decline in the stock market, with liquidation of margin accounts intensifying the unsettlement. A natural recovery succeeded the period of rapidly falling prices, but the preceding losses were only partially regained. As usually happens during a time of financial disturbance, strictly commercial movements were largely disregarded, yet in the present case various constructive phases are readily discernible. Conditions in certain of the major industries relating to the steel trade, with the buoyancy of the steel trade altogether without parallel for this season, and the weather had remained the chief obstacle to a full growth of retail distribution. Even with that continuing handicap, the railroads are transporting goods in a volume not heretofore equaled in May.
Weekly bank clearings \$11,542,573,000, a decrease of 2.6 percent from last year.

Dallas County Clerk Threatened In Letter By Parties Unknown

DALLAS, May 24.—(AP)—A letter threatening death if he helped a woman he did not know, was contemplated today by D. C. Whiteley, county clerk. He did not know whether it was a hoax, or if it indicated a kidnapping.
From Morris Heights Station, New York, and unsigned by any name save that of "Money Man," the letter warned Whiteley not to give aid to Mrs. Robert L. Jennings in obtaining a divorce. He was directed to tell her that her husband "is in our hands and is being treated as k." The husband referred to was Robert L. Jennings who on May 16, last year, obtained a marriage license to wed. Whiteley said he did not know Jennings and had not heard from a Mrs. Jennings since the disappearance of Robert L. Jennings, here on Aug. 30, 1928, while honeymooning with a woman he married in Dallas on July 9. The letters received here were postmarked Brooklyn and signed "The Money Ring of Brooklyn." Police believed them to have been the work of a crank.
Jennings and his bride, with two children by a previous marriage, registered at Hotel Ritz, New York, on Aug. 30. Jennings told his wife he wished to visit his parents who lived 20 miles outside of Elmira and left. He never returned.
A letter to the Star-Gazette said the "ring" held Jennings and offered to turn him over to the newspaper on publication of the proper notice in the New York Daily News.
J. E. Norwood, M. F. Wilson, Arthur Wilson, all of the Retreat community, were in Corsicana Monday afternoon on business.
